# Privacy Practices

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.**

**Pin Point Phlebotomy LLC respects your privacy and understands that your personal health information is sensitive. According the Health Insurance Portability and Accountability Act of 1996 (HIPAA), we cannot disclose your “protected health information” to others unless we have your permission – or unless the law authorizes or requires us to do so. The Health Information Technology for Economic and Clinical Health (HITECH) Act also requires us to notify you when the security or privacy of your health information is breached. Depending on the type of breach and how many individuals are affected, this may also involve notifying the media and/or government enforcement agencies, and keeping a log of all breach incidents.**

### Uses and Disclosures

**Treatment:** Your health information may be used by staff members or disclosed to other health care professionals for the purpose of evaluating your health, diagnosing medical conditions, and providing treatment. For example, results of laboratory tests and procedures will be available in your medical record to all health professionals who may provide treatment or who may be consulted by staff members.

**Payment:** Your health information may be used to seek payment from your health plan, from other sources of coverage such as an automobile insurer, or from credit card companies that you may use to pay for services. For example, information on the services you received may be used to support budgeting and financial reporting, and activities to evaluate and promote quality.

**Health care operations:** Your health information may be used as necessary to support the day-to-day activities and management of Pin Point Phlebotomy LLC for example, information on the services you received may be used to support budgeting and financial reporting, and activities to evaluate and promote quality.

**Public health reporting:** Your health information may be disclosed to public health agencies as required by law. For example, we are required to report certain communicable diseases to the state’s public health department.

**Other uses and disclosures require your authorization.** Disclosure of your health information or its use for any purpose other than those listed above requires your specific written authorization. If you change your mind after authorizing a use of disclosure of your information you may submit a written revocation of the authorization. However, your decision to revoke the authorization will not affect or undo any use of disclosure of information that occurred before you notified us of your decision.

### Additional Uses of Information
